Dear Year 2 Leesland Families

June 2026

We are very proud of the happy, caring and stimulating learning environment we provide for our children at Leesland and are sure that your child will continue to thrive as they move from the Infant to the Junior school.

We have already arranged for many in school transition events including swimming, outdoor learning sessions, shared story times and playtimes.

As part of their welcome to the junior school, the children have already had the opportunity to experience swimming and Outdoor Learning sessions during the normal school day. In addition, as part of our whole school transition, your children will spend two days in the junior school in their new classes. These are:

Monday 6th July – Please take your child to the Infant school to their existing classroom. They will be brought across to the Junior school by their existing teacher and spend the day in their new class. They will return to the Infant school during the afternoon so please collect from Infant school at their usual time.

Tuesday 7th July – Please take your child to the Junior school to their new classroom between 8.30 and 8.40 a.m. The Year 3 teachers and LSAs will be on hand to meet you at the doors. At the end of the day, 3.20 p.m. please wait on the Junior school playground and your child will be released to you from their new classroom. The rooms are close together and we will put signs on the doors.

Your child may bring in their own lunch or they can order a school lunch on these days. There will be no charge for meals on these days, although from September you will be required to pay for school meals unless eligible for free school meals.

Yours sincerely

Mrs R Wigley
Head of Schools
