Butser Trip Monday 21st September 2026

Dear Year 3 Leesland families

To start off the year in Year 3, we are learning about the people of the Stone Age, about their lives, the tools they used, the homes they lived in and the food they ate. To support our learning we have planned a day of enrichment at Butser Ancient Farm on Monday 21st September 2026. Throughout this day the children will experience being an archaeologist and try their hand at activities that the people from this time typically did – bringing this topic to life. It is a very exciting experience.

The coach will be leaving school at 9a.m. and we will be returning by the end of the school day. Great News! The total cost for entry, workshops and coaches is being covered by the South Downs Project, so there will be no cost to parents.

For the trip, school uniform with a school jumper/cardigan must be worn, together with comfortable footwear and a waterproof coat. Your child will require a packed lunch from home in a carrier bag (no glass bottles or fizzy drinks please). If they are registered for income related free school meals and you require a school packed lunch on the day, please complete the form below **by Friday 11th September** to order one.

Year 3 Buster hill – Fill out form

To be able to run such trips, we need your support and, if you are able to accompany us on this day, we would be very grateful, you can also do this via the form above. Please note that our Federation policy means that although you will be helping with your child's class, they will not be in your group.

Consent should be made via the form above under the trip section by **Monday 7th September** please.

We are looking forward to this topic and this exciting trip. Thank you for your continued support.

Yours sincerely

Year 3 Team
